

Be Up To Date & Collaborate

A platform for innovative newcomers & experts with pioneering spirit

Innovative ideas, disruptive technologies & business models on one side ...
Resources, experts & market know-how on the other side ...

tfz Start-Up Insights Be Up To Date & Collaborate brings both sides together. Be inspired by innovative start-ups in different industries and discover new potentials for your expertise!

When?
29th June 2022
08:30-13:30

Where?
Lorzensaal,
Dorfplatz 3,
6330 Cham

What is available exactly?

- ✓ **Start-up Presentation: Inspiring newcomers introduce themselves**
Get new impulses for you & your company from the start-up scene
- ✓ **Insider Talk: Excellence meets vision**
Challenges and potentials of the collaboration of start-ups & established companies with **Andreas Klopp** (General Manager, Roche Diagnostics Int. AG), **Andreas Umbach** (Chairman of the Board Landis+Gyr) and **Dr. Daniela Marino** (CEO & Member of the Board, Cutiss AG)
- ✓ **Collaboration Talks & Exhibition**
If your experience & expertise match the needs of one or more start-ups, you will receive a scheduled Collaboration Talk. What's in it for you: effective networking with your match, inspirational info for you & your company or even concrete opportunities for collaboration.
